SHEARFORCE COMPACTORS

Add the power of ShearForce hydraulic compactors to your equipment fleet. New ShearForce hydraulic compactor vibratory plate attachments offer exceptional value for your construction projects. Reliable and durable, ShearForce compactors are ideal for your toughest compacting, trenching, slope stabilizing, post pounding, and pile driving jobs.

**SAVE MONEY WITHOUT
SACRIFICING POWER AND
DURABILITY.**

- Outboard shock mounts distribute vibration energy evenly across the entire baseplate, extending the life of the motor, bearings, and mounts.
- Auto flow control
- Oil bath lubricated main bearings
- Rubber mounts direct energy to the compaction plate, not the carrier's boom.
- Mounting options for any machine.
