## SHEARFORCE SM HAMMERS

Add the power of ShearForce hydraulic hammers to your equipment fleet. ShearForce SM Series hydraulic hammers offer exceptional value for your construction and demolition projects. From initial purchase to maintenance and repairs, these hammers hit harder and last longer.

SAVE MONEY WITHOUT  
SACRIFICING POWER AND  
DURABILITY.

- 14 models to fit 0.75 - 45 ton carriers
- Models from 175 to 10,000 ft. lb. impact class
- Hundreds of units working across Canada in all types of construction and demolition applications.
- Anti-blank firing system (SM15-45) increases the lifespan of all components
- Extremely powerful and durable
- Up to 40% less cost but the same charge out rate as competitor brands.
