SHEARFORCE STATIC RIPPERS

SAVE MONEY WITHOUT
SACRIFICING POWER AND
DURABILITY.

Add the power of ShearForce static rippers to your equipment fleet.

ShearForce static ripper attachments offer exceptional value for your construction projects. These static rippers are designed with a single-point tooth to maximize the machine's penetrating power and quick change lugging for minimal downtime. Ideal for loosening dirt, rock, and frost for excavation.

- Machined quick change lugging
- Durable ripper shank
- Wear-resistant plate and replaceable tooth for easier maintenance
- Optimized for any machine class
- Easy operation for trenching and breaking frozen ground
- Cost-effective alternative to hydraulic rippers and hammers.
- Frozen, hard pan, shale, caliche, and corral materials
- In Stock!
